Dynamic Leader

Hon'ble Ajit Pawar

Deputy Chief Minister, Maharashtra State
President, Pune District Education Association, Pune.

From the President's Desk

Dear Student's

With great pleasure, I accord warm welcome to you to our college in the capacity of president of Pune District Education Association, Under the aegis of which this college is flourishing. The trust has a rich and glorious tradition of imparting education, grooming and nurturing students for the last seven decades - Seventy seven years to be precise. This trust, incepted in 1941 with the mission of providing basic education to eradicate the social evil " illiteracy" prevalent in those times, has blossomed into a conglomerate of schools, colleges and technical institutions, thereby not only giving the students the concept of one stop shop. i.e. completing thier entire education from schooling to graduation to post graduation in this trust but also a wide array of courses to choose ranging from graduation and Post graduation in traditional arts, science, commerce as also Computer Science, Pharmacy, Management, Ayurved, Engineering, Microbiology etc.

This is competitive era and also an era of dynamic ups and downs. The central government, State governments and related organizations like AICTE, DTE, UGC, CCIM, PCI, Pune University etc. are taking the necessary steps to make education more industry worthy. From our trust, the necessary infrastructure in the form of state of the art buildings, laboratories, library, auditorium, conference rooms, class rooms etc. which are a class apart have been provided to make it a conducive learning environment for our students. Adequate, highly qualified, trained, motivated and responsive faculty is always present to inspire the students to excel in their goals ahead.

Apart from the regular academic inputs, students are given the co-curricular and extra-curricular activities opportunities coupled with soft skills training to ensure their wholesome development.

You are embarking on a career path and I advice you to be thoroughly professional in your approach right from choosing the course to its successful completion. Moreover it is a knowledge era and students who can assimilate and disseminate the right knowledge at right place and right time are going to make their marks. So the onus is on students to ensure that they carry out their cardinal duty of learning very sincerely, by having a penchant for reading and knowledge, by developing proficiency in written and oral communications and by setting a goal and working relentlessly towards it. I assure you that college and the trust are doing their measure to assist and guide you in this aspect. I wish you a rewarding and learning experience in this college of Pune District Education Association.

Ajit Pawar
President

Pune District Education Association, Pune

**Education is the most powerful
weapon which you can use to
change the world.**

Secretary's Message

Dear Student's and Parents

Pune District Education Association's (PDEA) colleges and schools are shrines of knowledge where students receive quality education and develop capabilities to accept the challenges for competitions. Our trust, incepted in 1941 with the clear vision of "Bahujan Hitay, Bahujan Sukhay" and the Mission of providing basic education to eradicate illiteracy prevalent in those times, has now blossomed into a conglomerate of schools, colleges and technical institutions. The trust has been engaged in providing students the concept of one stop-shop for education i.e. completing their entire education from schooling to graduation to post graduation to Ph.D. in the traditional arts, Science, Commerce as also the computer science, Pharmacy, Management, Ayurveda, Engineering, Microbiology, etc. at one place. For this, we have provided the state of the art buildings with modern amenities such as good and well equipped laboratories, rich libraries, internet facilities, auditoriums, playgrounds, etc. This has been backed with the experienced and talented faculties to deliver excellent knowledge to the students. In order to maintain the quality of education, our colleges have been accredited and re-accredited by the NAAC. We are proud to receive the Best Educational Institute Award of Government of Maharashtra in 2000. Indeed, this endeavor of ours has made the PDEA, the educational destination of the first choice for the students.

We at the PDEA's colleges and schools believe in all-round holistic development of our students through a multitude of curricular, co-curricular and extracurricular programs. I congratulate you for your right choice for selecting our institute's College/School for your career development. However, I appeal the students to carry out their cardinal duty of learning process very sincerely in order to develop proficiency in written and oral communications and to achieve the set goals. I promise you that our experienced and learned faculties are with you to help for all the times.

Wish you all the best !

Hon. Shri. Sandeep Kadam
Honorary Secretary
Pune District Education Association, Pune
Senate Member, SPPU, Pune

About PDEA

Pune District Education Association is well known educational Society founded by the dedicated team of social reformers, lead by Ex-Chief officer of Z.P. Pune, Late Shri. Baburaoji Gholap and has a standing of over 77 years in the field of education. The year 2003-04 was the birth centenary year of over 63 year of our founder secretary. We are proud to mention that PDEA has received the prestigious, "Best Educational institute Award" from the Government of Maharashtra for the remarkable achievements in the field of education and social work, on 5th September 2000.

The association runs different branches like Pre-Primary Schools (Marathi and English Medium)-14, Primary Schools-16, Secondary Schools-62, Higher Secondary Schools - 30, Vocational Courses - 25, Senior Colleges (Multi faculty)-08, Ayurved College and Research Centre - 01, Pharmacy Colleges-05, Management Institutes-03, Polytechnic Institutes-01, Engineering College-01, Law College-01 and Architecture College- 01.

The association has made up of its leeway since 1941. In the year of 1983, a young dynamic leader Prof. Ramkrishna More (Ex. Minister School Education, Sports and youth Welfare and Cultural activity - Government of Maharashtra) took the charge of PDEA as "President". During his tenure, Prof. Ramkrishna More has accelerated the activities of PDEA with an objective of contributing to the intellectual and social transformation in different areas like educational, social and cultural. All the institutes of PDEA have made remarkable progress in the field of education under his leadership.

In the year 2006, Inspirer- Visionary-Many more years of success in all ways of life-Young and dynamic wishing leader, Honorable Ajit Pawar, Minister-Energy, Water Resources (Excluding Krishna Valley Irrigation Corporation) Command Area Development and water supply and Sanitation, Guardian Minister, Pune took the charge as "President" of PDEA by legacy.

He is inspiring inner and spiritual strength of PDEA family viz. Life members, Employees and Students. All the branches of PDEA is now taking a global speed towards the destination.

Pune District Education Association's **COLLEGE OF ENGINEERING**

About Institute

Pune District Education Association's College of Engineering Manjari, Hadapsar, Pune is established in the year 1998 by P.D.E.A. with an objective to exploit rural talent in the field of engineering. The college is affiliated to the Savitribai Phule Pune University and is approved by A.I.C.T.E. New Delhi and Govt. of Maharashtra. The College is NAAC Accredited. The college is located in Manjari, Hadapsar. It is about 15 km away from Pune Railway Station and easily accessible by Pune Municipal Transport buses and auto rikshaws. Hadapsar main bus stop is about 7 km away from the college and it is well connected to other main bus stops of the city like Shivaji Nagar, Swargate, Pune Railway Station etc. The college offer four year degree courses in engineering and two year MBA Degree.

Vision

Providing nurturing ground for development of an individual to make effective contribution to the society in dynamic environment through academic excellence for professional competency.

Mission

- To provide the state of the art educational facilities for training students for the career in engineering and technology.
- To organize quality improvement programs on advances in current technology for the benefit of core stakeholders of community.
- To provide leadership in curriculum design and development to strengthen industry-institute commune.

Quality Policy

To pursue global standards of excellence in all our endeavors of teaching, research, consultancy, continuing education and to remain accountable through processes of self evaluation and continuous improvement.

Salient feature of the college

- 1.Spacious well furnished building
- 2.Spacious well furnished Library
- 3.Spacious well equipped laboratories
- 4.Spacious computer laboratory with internet
- 5.Training and placement facility
- 6.Earn and Learn scheme
- 7.Efficient Administrative staff
- 8.Experienced and qualified teaching staff
- 9.Economic and other concession for backward students
- 10.Government and other fees concession and scholarship
- 11.Hostel Facilities for boys and girls
- 12.Sports Facilities

Principal's Message

It gives me immense pleasure to welcome you to the creative world of Engineering. Technical Education is the most important reform that the country requires at this juncture. To take care of this change, we have to bring in discipline for quality education system in the near future.

The main focus of the institution is to empower students with sound knowledge, wisdom, experience and training both at the academic level of Engineering and in the highly competitive global industrial market. The infrastructure facilities and state-of-the-art equipments combined with dedicated faculty contribute to an enjoyable learning experience.

I wish the aspiring engineers and faculty a successful and rewarding career.

Mechanical Engineering Department

Dr. S. A. Patil
Head of the Department

Departmental Desk Message

We welcome you all to the Department of Mechanical Engineering. We are having a team of dedicated and experienced faculty with research bent of mind and well developed laboratories, driving the department towards excellence in teaching as well as R & D activities. The department has excellent Industry-Institute interaction and organizes periodic Industrial visits and industrial expert lectures to provide an opportunity for the students to interact with working professionals from industries. The department provides a platform to students, innovation and opportunities to solve real world engineering and societal problems, also organize different kinds of programmes for students like Job-fair and special guidance for higher education.

The Department of Mechanical Engineering received AICTE /BCUD funded projects. Research Scholars and students make use of the facilities at R&D center. We always believe in dynamic personality, leadership quality, creative thinking of the students to enhance the quality of personal life and the society as a whole.

This department has dedicated and competent faculty members to impart quality education, project guidance, personality development to enable students to be placed with a reputed organizations. The department has a 12 Teaching staff and 5 Technical supporting staff who are associated with different laboratories.

Scope of Mechanical Engineering

Mechanical engineering offers a wide variety of career opportunities to job aspirants. The major industries that take in mechanical engineers include automobile, space research, aeronautical, energy and utilities, air conditioning, manufacturing industries etc. Even mechanical engineers have a lot of scope in government sectors that include giant manufacturing industries, RTO, MPSC, UPSC, Banking, Railway, oil & gas refineries, agro industries. With the advent of latest technological innovations, new opportunities came into existence for Mechanical engineers like nanotechnology, development of composite materials, biomedical applications, environmental conservation etc. But getting acquainted with these industries will not be easy as they demand engineers who are hands-on with the latest technologies.

With the "Make in India" and "Skill India" initiatives, the government is investing a lot of time and money to groom young talents and bring in lot of innovation among the engineers. So students pursuing mechanical engineering have a lot of scopes to build a successful carrier.

Departmental Activities

- Students from Mechanical Engineering Department won first prize in Robo sumo National level Event held at IIT Bombay.
- Department at Mechanical Engineering arranged Industrial visit at Accurate Gauges, Saswad.
- Department of Mechanical Engineering arranged Industrial visit at Baker Gauges India Pvt. Ltd. Kharadi, Pune, Pumping Station, Cantonment Board, Pune. Science Park, Pimpri- Chinchwad. Poona Radiator, Veer Dam, Gokul Dairy, Someshwar sugar factory co-generation plant.
- Mechanical Engineering Student Association (MESA) has Organized various co-curriculum activities like-
 1. Techno Hunts
 2. Fun Games
 3. Challenge Me
 4. Robo- war for Students
- Mechanical Department has arranged National Level workshop for students on "Indian patents Rights and its Regulation"
- National Level workshop organized in college on "NAAC Rules and Regulations"
- Student from Mechanical Engineering Department successfully grant patent on "Automatically Mobile Charger Removal".
- Department of mechanical Engineering organized Software Training Programme Ansys, ProE, Catia for Final Year Student in College.
- Department of Mechanical Engineering organized One day state level workshop on "Hands on Robotics".
- Department Student Won First Prize in ROBO Soccer in VJTI, Mumbai.
- Students of Robo-Club won first price in Robo-war at C.O.E.Pune
- Department of Mechanical Engineering organized Two Day National Level Robotics workshop for students (Yantrotsav)

Dr. R. V. Patil

Dr. M.P. Borawake

Head of the Department

HOD Desk Message

Welcome to Department of Computer Engineering,
P.D.E.A's College of Engineering, Manjari(Bk.)

The Department of Computer Engineering welcomes you to be a part of the thriving computer engineering and become visionaries and change makers of the future. Department of Computer engineering came into existence in the year 1998 with an intake of 60 and at present, the department has an intake of 180. We, the Computer department has always asserted to take education beyond the four walls so that students understand the reality of the technical world and also imparts world class training and platform for research to the students. The department provides state-of-the-art computing facilities to the students enabling them to stay a step ahead. They are exposed to various opportunities such as in plant training, internships, and workshops during their course of study. Our faculty are constantly striving to excel and to advance the state of the art in Computer Engineering. Our understanding is that persons who are clear and thorough about the fundamentals can adapt to rapid changes in technology relatively easily. We want the education imparted to our students to be the basis of a life time of learning. We believe that this approach to teaching-learning, coupled with practical experience gained during Industrial Training in reputed organizations, equips our students to handle the challenges posed by the software industry.

The Department is proud to have a strong-alumni-network, many of whom hold influential positions in the IT industry and academia, at both, national and international levels. We look forward to having talented students, researchers, academicians, and professionals join us and augment the healthy and competitive learning atmosphere we have on campus!

Bearing in mind mentoring as a life time commitment, we encourage students to achieve academic excellence with life skills.

Introduction :

The department of Computer Engineering is engaged in teaching the fundamentals of computer engineering as per the syllabus of SvitribaiPhule Pune University . Department is equipped well-established state of the labs and modern facilities. Also having well designed furniture and branded HP 280 G9 MT DESKTOP Intel Core I5 12th generation processor / 8GB x 1No, DDR4 RAM 3200Mhz/, 512GB NVM M.2 2280 PCIeNVMe SSD / NOODD /, HP 19.5" TFT, MS Windows 11 Propreloaded, And educational e-content equipment which includes LG 55" 4K UHD smart TV UQ801C, Logitech Brio 4K Ultra HD Pro Webcam, Artis BT916 120W Wireless BT Trolly Speaker, LED light and Wireless mike.

100 MBPS Jio Leased line Internet with wifi facility is available with Campus LAN : 40 MBPS BSNL.

LCD Projectors for Effective Learning in each class

Dell Power Edge R720 server

Regular workshops, seminars, Industrial Visits and other events are arranged on new Technologies.

Electronics and Telecommunication Engineering

Dr. D. O. Patil
Head of the Department

HOD Desk Message

The process of learning is extremely important in life. What you learn, how you learn and where you learn play a crucial role in developing ones intellectual capability, besides career.

Changing and widening branch of the engineering profession having applications in every discipline of engineering including consumer electronics, telecommunications, diagnostics and treatment devices for medicine, audio and video. The excellent infrastructure, teaching faculty of the best kind ensuring quality education such as interaction among students, parents and staff, along with a Training and Placement Cell ensures a bright future to the students. The Department is fully equipped with all the labs required for the curriculum like Digital Lab, Microcontroller Lab, Network & Power Electronics Lab, Communication Lab, Computer Lab and Project lab.

I wish my students for successful professional life and always help to needy people in social life.

Department Information:

Department is committed to provide quality education in the field of Electronics & Telecommunication Engineering to rural background students. All the staff are well qualified and highly motivated towards their work.

Our state-of-the-art infrastructure includes fully equipped lecture halls, an excellent Computer lab equipped with the latest tools, and rich departmental library. Our department boosts a cultured ambience and offers its students a tremendous opportunity to avail of all the amenities catering to all their academic requirements.

Future Scope:

Increased production and demand by government, Public sector and businesses for communication equipment, computers and military electronics along with consumer demand and increased research and development on robots and other types of automation contributes to the growth of employment opportunities in this field. In the Defense Services, young engineers start as Second Lieutenants or equivalent cadres.

As an E&TC Engineer, you can work under telecom, hardware and networking, applications of all kinds, embedded system allied areas such as VLSI Design and fabrication and mobile computing and software development etc with some added specialization.

Information Technology

Dr. D.S Hirolikar
Head of the Department

HOD Desk Message

Department of Information Technology was established in 2001 motivated by the need to centralize computing as a service unit and offer training. The Department seeks to combine excellence in education with service to the industry. Our vision is to be recognized as innovative and leading Information Technology Department. In our department students are nurtured to become best software professionals as Project Managers, System Analysts or Team leaders in Industry or become Entrepreneurs in their own innovative way.

I am sure in times to come; many students from our department will make indelible mark nationally and internationally in the field of Information Technology and make us proud. We are having hard-working students, a young and dynamic faculty, whose expertise spans the range of disciplines in computer science stream and a very healthy work-culture, are the basic elements that comprise the Department of Information Technology, the hub of the institute's academia.

The Department of IT believes in building career, enriching minds and provides a remarkable experience that lasts a life time. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful.

Information Technology Department activities in 2024-2025

- Inauguration of Information Technology Students Association.
- One day Webinar on "Introduction to Java" by Rucheela Dev from IBM".
- One day workshop on "IPR, Patent and Copyright Act" by Mr. Pratik Dinda, LBS Tech Pune
- One day workshop on "Cloud Computing" Mr. Rohit, Gentech Pune
- One day workshop in "Github" by Mr. Rohit, Gentech Pune
- One day seminar in "Web Development" by Dr. Swati Shirke.
- Industrial visit at "DIPEX Pune" and "COEP Pune".
- Two Days National Level Hackathon "CodeLiteHACKATHON"

Artificial Intelligence and Data Science (AIDS)

HOD Desk Message

Welcome to Department of Artificial Intelligence and Data Science, P.D.E.A's College of Engineering, Manjari (Bk.)

The Department of Artificial Intelligence and Data Science (AIDS) welcomes you to a dynamic world of intelligent systems, data-driven innovations, and transformative technologies. Established to meet the growing demand in the field of AI and Data Science, the department aims to nurture future-ready professionals equipped with the skills and mindset to shape tomorrow's world.

Launched with a focus on combining the power of artificial intelligence and data analysis, the department offers a unique blend of theory and practical exposure. Our curriculum is designed to cover cutting-edge technologies like Machine Learning, Deep Learning, Data Mining, Big Data Analytics, and Natural Language Processing — preparing students to thrive in the ever-evolving tech landscape.

We believe that education is most impactful when it extends beyond classrooms. To that end, our students are encouraged to participate in industry-oriented internships, live projects, workshops, coding competitions, and research-based activities. The department ensures access to advanced computing labs and tools essential for experimentation and innovation.

Our experienced and enthusiastic faculty members are committed to creating a learning environment that promotes curiosity, creativity, and continuous improvement. We aspire to produce graduates who are not just job seekers, but solution creators, entrepreneurs, and thought leaders in AI and Data Science.

Join us and be a part of a community where ideas turn into innovation and learning translates into leadership.

Master of Business Administration (MBA)

Dr. B. K. Suryatal
Head of the Department

Department Desk Message:

Managing Business in current scenario is much more challenging than it was ever before. As highly dynamic changes in Technology and business environment, the managers today need to be well equipped with efficient & effective management practices & techniques of decision making. They need to be groomed with latest academics knowledge, corporate skills & ethical practices.

The Department of Business Administration is fully conscious of the needs and its responsibilities. It is engaged in teaching & grooming the students with optimum blend of Academic & Professional Skills. That is the reason why, many of the B-Schools & Management Institutes are striving for survival but our department is flourishing with flying colours. The Department had inspite fetched an AICTE Grant of Rs. 8.75 Lacs for Industry Institute Cell (IIP Cell), while the only department among MBA, BCA, BSc Logistics students, associated with Consultancy and R & D Works.

The Department has also fetched a grant of Rs. 5.00 Lakh from Entrepreneurship Development Institute of India (EDII) through Department of Science & Technology, Govt. of India for organizing the Entrepreneurship Development activities. The Department has established and successfully running both the Entrepreneurship Development Cell (ED Cell) and Industry Institute Partnership Cell (IIP Cell) for the entire College and organizing Entrepreneurship programs for Engineering, Management & other professional Institutes of Pune District Education Association. This brochure provides information on the Admission to MBA program of the Department, should prove to be useful to aspiring students & their parents.

The College is running M.B.A. course since 2009 – 2010 with the intake of 60 seats from the year 2020-21 the intake capacity is increased to 120 seats and in since last five years we have admitted full 120 students.

The Department has full equipped Computer Laboratory, well qualified experienced and dedicated faculty. In addition to that Department organizes Guest - Lectures of various Experienced & high ranked Executives from Industry to provide the Corporate Exposure to students in every week.

The department organizes Workshops & Seminars to inculcate Corporate Skills, Entrepreneurial Skills and impart the knowledge of Industry Expectations. There are regular Industrial visits, Summer Internship Projects, Consultancy Projects to fill up the gap between University Curriculum & Corporate Expectations. The Department organizes curricular and co-curricular activities like Job Fairs, Various Sports and Cultural competitions to give the students live experience on Event planning, Fund Raising (through sponsorships) & Event organization, Working in Team skills, etc.

As per SPPU latest syllabus, we offer following specializations to students:

MINOR Specializations:

1. Rural & Agribusiness Management (RABM)
2. Pharma & Healthcare Management (PHM)
3. Tourism & Hospitality Management (THM)
4. International Business Management (IBM)

MAJOR Specializations:

1. Marketing Management (MKT)
2. Financial Management (FM)
3. Operations and Supply Chain Management (OSCM)
4. Human Resource Management (HRM)
5. Business Analytics (BA)
6. Pharma & Healthcare Management (PHM)
7. Agri-Business Management (ABM)

Year of Establishment	: 2009
First Batch pass out	: 2010-2011
Head of Department	: Dr. B. K. Suryatal

Master of Computer Applications (MCA)

HOD Message

Department of Master of computer Application started the journey in the 24th year. with 60 intake capacity for the post graduate program of Master of computer Application. The PG program has been affiliated by All India Council of Technical Education and approved by Savitribai Phule Pune University. (Formally known as Pune University).

MCA department has been working with the goal of Industry Institute Initiative upon a strong foundation of learner centric environment. Department is predisposed to its stake holders to provide 'Excellent Teaching Learning in Technical Education' and to foster the Knowledge among all the students. The Department practicing 'NextGen' teaching learning methodologies for imparting excellent quality teaching and learning to igniting minds empowering lives" in the students' community.

The department is equipped with adequate infrastructure to support academic, research and extracurricular activities for the all-round development of our students. The Department has ample lab space for students of its programs to enhance their practical skills as well as to work on their projects.

The department has proud of the 'Team-MCA' comprising of Students, Staff and highly motivated and learning faculty members, where every stake holders have taken an important role for the betterment of the departmental activities

We look forward to having talented students, researchers, academicians, and professionals join us and augment the healthy and competitive learning atmosphere we have on campus!

Sanction Intake:- 60 students

Name of Laboratories:

- Software Lab
- Project Lab

First Year Engineering

Prof. M. P. Rananaware
Head of the Department

Introduction

First year Engineering Department caters for the knowledge of basic science subjects like Engineering Mathematics, Engineering Physics, Engineering Chemistry and basic engineering subjects like Engineering Mechanics, Basic Electrical Engineering, Basic Electronics Engineering, Fundamental of Programming Languages and Programming Problem Solving, Engineering Graphics.

The Department is having well qualified, experienced and dedicated faculty members. It is also equipped with all furnished laboratories in connection with the need of F.E. Syllabus.

Teachers provide guidance and counseling to the students under teacher guardian scheme. A batch of 20 students is supervised by a teacher regularly. Parents are regularly intimated about the progress of their wards. Parent teacher meet is organized in the department every year.

Departmental Activity:

F.E. department organizes guest lectures, skill development programme and science exhibition for students on various topics.

First year engineering department has been organized induction programme with a purpose to help students acclimatise with the new surroundings, develop bond with fellow students and teachers, sensitivity towards various issues of social relevance and imbibe human values so as to become the responsible citizens.

First year engineering department has been organized Exhibition on projects under the subject project based learning. Project based learning motivate students to learn by working in group courteously to solve a problem.

Name of Laboratories:

- Engineering Physics Lab
- Engineering Chemistry Lab
- Basic Civil and Environmental Engineering Lab
- Engineering Mechanics Lab

Results of First Year Students for last 3 years

Sr. No.	Year	% of Passing
1	2023-24	85%
2	2022-23	81%
3	2021-22	100%

Training and Placement

Prof. D. L. Mule
 Training and Placement Officer

About Training & Placement:

The Training and Placement Office facilitates the process of placement of students passing out from the Institute collaborating with leading organizations and institutes in setting up of internship and training programs for students. The office liaises with various industrial establishments, corporate houses etc. which conduct campus interviews and select graduate and post-graduate students from all disciplines. The Training and Placement Office provides the infrastructural facilities to conduct group discussions, tests and interviews besides catering to other logistics.

The office interacts with many industries in the country, of which nearly 10 (on & off campus) companies visit the campus for holding campus interviews. The industries which approach the institute come under the purview of:

- Core engineering industries
- IT & IT enabled services
- Manufacturing Industries
- Consultancy Firms
- Finance Companies
- Management Organizations
- R&D Laboratories

The placement season runs through the course of the year commencing the last week of July through to March. Pre-placement talks are also conducted in this regard as per mutual convenience. Job offers, dates of interviews, selection of candidates etc. are announced through the Training and Placement Office.

Placement Office Functions:

The Placement Office is assisted by a committee comprising representatives of students from the undergraduate engineering and post graduate management streams. The committee besides a set of rules which are inviolable. Student members are closely co-opted in implementing these policy decisions. In addition to that; Our college has started an initiative in the name as: "CAMPUS CONNECTORS" where student coordinators will be having fair enough chances to work with TPO Cell & Company Delegates on administrative matters. After completion of the year they will get awarded with a college level Recognition Certificate.

Training For Students:

Students are placed for practical training in various establishments according to their area of interest and specialization. Monitoring of training of students in different industries is conducted by faculty members of respective departments. Analysis of industrial training is carried out on the basis of evaluation report received from the industries, matter content and presentation of the training report submitted by the students and viva-voce conducted by the expert committee constituted, for the purpose.

As prescribed by university: All Students have syllabus infused with Gender Equality, Environment and Sustainability, Human Values and Professional Ethics; Besides this Following are the modules which are covered as Personality Development module from Training & Placement Office while conducting session or via guest/expertise session:

- | | |
|-------------------------|------------------------------|
| 1. Grooming | 10. Success At Work |
| 2. Attitude | 11. Etiquette & Courtesies |
| 3. Discipline | 12. Problem Solving Skills |
| 4. Work Ethics | 13. Health, Habits & Hygiene |
| 5. Anger Management | 14. Stress Management |
| 6. Communication Skills | 15. Conflict Management |
| 7. Interpersonal Skills | 16. Career Skills |
| 8. Time Management | 17. Safety |
| 9. Motivation | 18. Career Skills |

Pune District Education Association's
College Of Engineering
 Manjari (Bk.), Hadapsar, Pune - 412307

Placement Opportunities For Students:

Students are offered with Internship in their third year of course to have brief interaction with their Domain Industry / Institute / Partner Institute which are provided by SPPU (Savitribai Phule Pune University, Pune). Our Institute gives sharp attention towards internship as it is the first primary stage to Campus Placements in the purview of Corporate life of Students. Last year 50% of College Students received Maximum Package of 7.2 LPA and Average Packages for placed students were 3 LPA. Also, just to know how companies hire, many students are awarded through the projects.

Final Year Students are molded for corporate life with the help of provision of various communities of PDEA's COEM, Pune like:

- Bureau Of Indian Standards STANDARD CLUB

- COGNITIVE EXCHANGE (Where Trainers from California, USA are taking batches of COEM College Students)
- CAMPUS CONNECTORS (Cell under Training And Placement Department having Student Representatives from Third and Final Year)
- Departmental Student Associations
- Centre Of Excellence of Different Domains
- COLLEGE IS ACTIVE PARTICIPANT UNDER – FTPO (Federation of Training and Placement Officers) & MATPO (Maha Association of Training and Placement Officers)
- Technical Competitions Conduction
- Paid Subscription with various Portals such as:

SUPERSET

This allows them to build their personality & have self-confidence to conquer the Campus.

SAY NO TO RAGGING

A) What Constitutes Ragging?

As per the AICTE / UGC / DCI Regulations & the Directions of Hon'ble Supreme Court of India "Ragging" constitutes one or any of the following Acts with or without any intention by any student or group of students:

1. Any act of indiscipline, teasing or handling with rudeness.
2. Any act that prevents, disrupts or disturbs the regular academic activity.
3. Any activity which is likely to cause annoyance, hardships, physical or psychological harm or creates fear.
4. Any act of financial extortion or forceful expenditure.
5. Any act of physical abuse causing assault, harm or danger to health or life.
6. Any act of abuse by spoken words, e-mail, SMS, MMS, or public insult etc.
7. Any act of injury to the fundamental right to human dignity.
8. Any act of wrongful confinement, use of criminal force, trespass or intimidation.
9. Any unlawful assembly or abetment or conspiracy to "Ragging".

B) Punishment to those found guilty:

Any student or group of students found guilty of "Ragging" in the campus or hostels or college buses or even outside the campus shall be liable for one or more of the following punishment:

1. Suspension from attending classes & academic privileges.
2. Suspension or expulsion from hostel/ college bus.
3. Debarring from appearing in any session test/ university examination.
4. F.I.R. against the concerned student or group of students.
5. Withholding scholarship and other benefits.
6. Fine up to Rs. 25,000/- to the concerned student or group of students.
7. Rustication from the Institution for a period of one to four semesters.
8. Expulsion from the Institution and also debarring from admission to any other institution.
9. Entry in the character / transfer certificate regarding the punishment given for any act of "Ragging".

Discipline & Attendance

We do spare the rod and do not spoil the students:

1. Students are advised to refer regularly to all notices displayed at various places on the notice board. Ignorance of the same shall not be entertained as an excuse.
2. Students must always possess their I card which must be produced when demanded by college authorities.
3. The student shall attend the lectures, practicals, tutorials, unit tests and examinations and shall keep their guardians in touch with the progress in their studies.
4. Students shall note that they will not be permitted to appear for the university examinations if they fail to satisfy the college authorities on any of the following grounds:
 - At least 75% attendance at lectures/practicals.
 - At least 75% at NCC/parades/NSS work as prescribed.
 - Attendance and performance at the college examinations/tutorials.
 - Good behavior and observance of discipline in the college premises.
 - Obedience of instructions of teachers/staff and other college authorities.
 - Payment of college fees as instructed.
5. Students should note that smoking, tobacco chewing, spitting etc. and use of mobile is strictly prohibited in the college campus.
6. Students must deactivate mobile of cell phones in the classrooms or laboratories or during academic activities.

Rules of Discipline

- Students must observe strict discipline in the college premises/campus and should not disturb the college/teaching & administration in any manner whatsoever.
- Students should take proper care of the college property and help in keeping the premises clean, neat and tidy. Any damage will be treated as a serious breach of discipline.
- No society or association shall be formed by students in the college, nor should any person be invited to attend and address without prior permission.
- Students should be regular and punctual in attending their lectures, practicals, tutorials and tests.
- Students should not loiter nor hang about aimlessly in staircases, labs, library, canteen, etc.
- Annual social gathering and any other such activities are which are likely to disturb the academic atmosphere on the college campus shall not be permitted.
- Anyone found indulging in any ragging within or outside the college shall be instantly expelled from the college.
- Student must attend college in prescribed uniform, identity card.

Library

Prof. K. B. Dumbre
Librarian

Introduction:

Libraries are a very important part of any educational system. The library plays a vital role in acquiring, organising & disseminating knowledge resources. The library is situated on the first floor of the college building, and the total area of the library is 415 sq. meters, including a circulation section & reading hall with a seating capacity of 150 students. The library is well equipped with all the latest editions of textbooks, reference books, technical print journals, e-books, e-journals, educational CDs and DVDs of all courses offered by PDEA's College of Engineering, Manjari Bk., Pune. There are 24967 Books of Engineering, 4049 books of MBA, 1347 books of social welfare and 594 books of General Books for the students. Books received from the Social Welfare Department were given to the SC and ST students. It is given to category students as well as poor and talented students. College staff and students are given free access to the library department. So, they can find the books they want. So, they get the information about the books available in the library department.

The library has a good collection of periodicals, including 54 National Journals, 21 International Journals and 03 General Journals. The library arrives with 08 newspapers in English and Marathi.

The library is regulated by the ERP software for automation. The OPAC system is available to the students and staff for searching for books. The library also provides the facility of the digital library with Internet access, E-books and E-journals of IEEE, ASME, DELNET, J-GATE for the students and staff. Working hours of the Library & Reading Hall are 9.45 am to 5.15 pm. The reading hall will be made available open for 12 hours at the time of the University Exam.

Library Sections:

There are seven sections in the library, including the Circulation, Reference, Periodical, Digital Library, Reprography Section, Newspaper Section and Reading Hall.

Library Services:

Library offers many services to the users like Open Access, Book Lending, Reading Hall, Internet Access, University Examinations Question Papers, Book Bank Facility, Social Welfare Book Bank Facility, Competitive Examination Books, Reprographic Service, Document Scanning, NPTEL Videos, Current Awareness Service, Bar-Code based Circulation Services and Reference Service. QR codes have been made available to search for information on the DELNET & J-Gate database, NPTEL, and the National Digital Library.

विद्यार्थ्यांनी तांत्रिक कौशल्याद्वारे समाजातील प्रश्न सोडवावेत

डॉ. ललित पाटील अभियांत्रिकी महाविद्यालयात राष्ट्रीय हॅकॅथॉन स्पर्धेचे आयोजन

पुणे : प्रतिनिधी
महाविद्यालयीन विद्यार्थ्यांनी उपलब्ध उपकरणांचा सुयोग्य वापर केला पाहिजे. भवनाथ पेडणेकरमठार, प्रभु नारायण कौशल्याद्वारे सोडवले पाहिजेत, असे मत प्रतिनिधी डॉ. पुणे विद्यापीठाच्या यादव संवत्सराच्या महासभेचे अध्यक्ष डॉ. ललित पाटील यांनी व्यक्त केले.

अध्यक्ष डॉ. ललित पाटील यांनी म्हणजे, हॅकॅथॉन स्पर्धेचे उद्देश्य म्हणजे, विद्यार्थ्यांच्या कौशल्याचा विकास होणे. यादव संवत्सराच्या महासभेचे अध्यक्ष डॉ. ललित पाटील यांनी म्हणजे, हॅकॅथॉन स्पर्धेचे उद्देश्य म्हणजे, विद्यार्थ्यांच्या कौशल्याचा विकास होणे. यादव संवत्सराच्या महासभेचे अध्यक्ष डॉ. ललित पाटील यांनी म्हणजे, हॅकॅथॉन स्पर्धेचे उद्देश्य म्हणजे, विद्यार्थ्यांच्या कौशल्याचा विकास होणे.

'वाचन संस्कृती वाढली पाहिजे'

पुणे : प्रतिनिधी
अलीकडे दूरध्वजवाणी, मोबाइल, सोशल मीडियावरील माहितीचा शोध होत आहे. मात्र, बुलबुल, कथा-कादंबरी, आत्मचरित्र अशा विविध विषयांवरील पुस्तकांचे वाचन महत्त्वाचे आहे, असे मत प्राचार्य डॉ. रितेश पाटील यांनी व्यक्त केले.

मंडळी बु. (क. हवेली) केंद्रात अभियांत्रिकी महाविद्यालयाच्या 'शोकांत पुस्तक वाचना अभियान'ला उद्देश देताना प्राचार्य डॉ. रितेश पाटील यांनी म्हणजे, वाचनाची संस्कृती वाढली पाहिजे.
