Welcome

Teachers need to constantly upgrade themselves to learn about advances in their domain, and to understand the best practices for facilitating best possible learning. IIT Bombay, through a decade long effort in using Technology to offer high quality training/ orientation programs for teachers.

The T10kT project (supported by National Mission on Education through ICT) at IIT Bombay, permits thousands of teachers to benefit from each of these programs. Use of online and blended approach allows participants to complete a significant part of training online, thus reducing the time which must be spent on face-to face synchronous interaction.

A **Teaching learning Centre (TLC)** has been setup at IIT Bombay under **Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching**. Our Faculty Development Programs (FDPs), approved by AICTE are now conducted under the aegis of this scheme.
