Subject: Prisms | Industry Internship Proposal

Respected Sir,

Greetings from Prisms Infosystem Pvt. Ltd. Pune...

We wish to introduce ourselves as a firm developing resource planning (ERP) software for educational institutes. Through innovative and inclusive use of technology, we aim at connecting parents, teachers and the school administration. The distinct features of our products can be used flexibly – through different web interfaces and through Android apps on your Smartphone.

Founded in the year 2012, Prisms envisions bringing together all the activities in an educational institute in a single ecosystem. Our products promise to facilitate smoother functioning of academic operations – from classroom timetables to attendance to results processing. An integral platform not only makes communication simpler but also keeps every stakeholder alert about relevant details.

We are pleased to enclose herewith the 15 days Industry Internship Proposal of our company for your kind notice.

This Internship program is in line with the objectives of your prestigious Institute to -

1. To provide the state of the art educational facilities for training students for the career in engineering and technology.
2. To organize quality improvement programs on advances in current technology for the benefit of core stakeholders of community.
3. To provide leadership in curriculum design and development to strengthen industry-institute commune, present state of Industry in various Engineering disciplines

We also propose an INDUSTRY INSTITUTE ASSOCIATION MOU between your prestigious Institute and Prisms Infosystem Pvt. Ltd. Pune.

We would request your kind confirmation on the internship proposal and the dates suitable for your Institute students.

We very much look forward to your communication in this matter

With Regards,

Abhaysingh Balasaheb Patil
