

Strategy Type	Details
Curriculum Development	Curriculum Development: Since the Institute is affiliated to SPP University, it adheres to the syllabus and curriculum plans of the parent University. Internal Evaluation is based on Internal Examination and the policies framed at Institute Level.
Teaching and Learning	The time period given for the Teaching Learning Process is as prescribed by the parent University. Every subject teachers plans his / her lectures/practical as per the Academic Calendar of the College and follows the same plan throughout the Semester.
Examination and Evaluation	University conducts Online Theory Examination for all the affiliated Colleges and College conducts Internal Exams for internal assessment. University Results are analyzed after every semester. The required measures are taken based on the analyzed results.
Research and Development	For Research and Development promotion, IQAC College Management has approached various agencies for the funding through the grants available from BCUD of Pune University, AICTE, Dept of Science Technology. The numbers of such proposals have increased as compared to earlier years. The Teaching staff students continuously publish their Research Works in various National, International Journals and Conferences. Also, the Teachers who have completed their Ph. D. have also applied with SPPU and other Universities for permission to work as Research Guide, which will help college to increase Research and Development projects.

<p>Library, ICT and Physical Infrastructure / Instrumentation</p>	<p>Library, ICT and Physical Infrastructure / Instrumentation: College has formed the requisite committees for enhancement of Library, ICT Facilities in the Laboratories. Every year the Departments provide the Library with the list of Reference books as per the SPPU syllabus and as per the budgets, management approvals and the available funds, the Library department makes the purchases. The same is the process adopted by the Department for up gradation of the Equipment and purchase of new equipment.</p>
<p>Human Resource Management</p>	<p>Every year the College allows and provides financial assistance to faculties for enhancement of their skills and knowledge. PDEA as well as College have separate forms to evaluate the performance of each and every staff member of the College. Based on their results feedbacks awards are given to achievers and advises are given to low performers to improve their performances, there is a provision to take disciplinary actions against poor performances</p>
<p>Industry Interaction / Collaboration</p>	<p>College has a fully fledged Industry Institute Partnership Cell (IIPC) to have regular interaction and joints programmes with the local Industry. Every year Industrial Visits, Guest Lectures, Training programmes are conducted in the college with Experts invited from the Industry. College ensures that Students must get familiar with the current trends expectation form the Industry along with their regular curriculum.</p>

Admission of Students	Every Year College has a budget to be spent on the admission promotion activities. As per the mission of our parent organization, PDEA, the College focuses more on the rural areas of the Pune and adjoining districts of Maharashtra state. As per the rules of the Directorate of Technical Education Maharashtra, 80 percent seats are filled by the Centralized Admission Procedure of State Directorate of Technical Education and College has a Management quota of 20 percent seats.
